**Part XIII** Supplemental Information (continued)

509(a)(1). Guild is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, Guild is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purposes. Guild has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

Guild believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. Guild would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

Form 990, Part III, Line 2, New Program Services:

During 2018, three new programs were offered at Guild. The Coordinated Entry Navigation Service (CENS) as a pilot program, staffed with one FTE, provides navigation services to individuals experiencing long-term homelessness and rise to the top of the "priority list" managed by the Continuum of Care (County or County collaborative). This partnership is with Hearth Connection and the COC's in the Suburban Metro Area, including Hennepin and Ramsey Counties.

The HCSB Innovations Grant through DHS has also allowed the funding of an IPS Employment program which began in July 2018. The program offers support to individuals to improve employment outcomes by securing competitive employment that offers minimum wage or above. The target population is individuals ages 18 to 25, and adults with serious or serious and persistent mental illness in Dakota and Ramsey County. The program assists individuals in securing and retaining employment that matches their skills and abilities. The program also works with the individual on career advancement. Priority for services is given to individuals with SSI/SSDI, students currently or previously served at the federal education setting level 3 or 4, and/or individuals who are CADI waiver eligible.

In January 2018, Guild was asked to assume a PATH grant which funded a .5 FTE to engage potential PATH clients through street and referral outreach. The goal is to determine eligibility for the PATH program and enroll individuals into the program if eligible. The case manager

Care Coordination services are provided by specific contract with individual health plan payers. Due to a strategic financial shift by one of the contracted plans, which resulted in a 60% reduction of clients, the team was required to reduce by 4 FTE's between June and September 2018. The agency was able to anticipate the changes early in order to prepare for a successful and seamless transition of clients back to internal health plan Care Coordinators. In addition, the agency retained two of the four staff impacted through open positions in other program areas.
