Community Access Referral Form: TCM, ACT, BHH

Guild's Community Access services provide assessment and referral to individuals seeking mental health services. Community Access also completes Housing Consultation services in the form of a Housing Focused Person-Centered Plan (see reverse side). Private-pay options for those who may not qualify for publicly funded services are also available.

Mental Health Targeted Case Management (TCM)

TCM is a service that helps individuals gain access to medical, social, educational, vocational, financial, and other necessary services related to individuals' mental and physical health needs. Stability in housing, optimal health, and connections to their community are the desired results of these services. Diagnostic Assessment must be dated within last 180 days.

Eligibility: at least 18 years of age, active medical assistance, and residing in an eligible county

Eligible Diagnoses: Major Depression, Bipolar, Schizoaffective, Schizophrenia, Borderline Personality Disorder

Assertive Community Treatment (ACT)

ACT helps individuals living in the community who experience severe, hard-to-manage symptoms of mental illness. These evidence-based and economical services are mobile, delivered where needed (most often in individuals' homes) using a team-based model. There are teams for adults (at least 18 years of age) and youth (16-23 years old). Diagnostic Assessment must be dated within the past year.

Eligibility: Adults-Ramsey or Dakota County; Youth-Minneapolis or St. Paul metro

Eligible Diagnoses: Adult Services-Schizophrenia, Schizoaffective Disorder, Major Depressive Disorder with psychotic features or other psychotic disorders or Bipolar Disorder; Youth Services-functional impairments and mental health symptoms

Insurance: Active Medical Assistance (MA)

Behavioral Health Home (BHH)

BHH is a service that helps individuals coordinate their physical and mental health care through support in accessing resources, doctors, other providers, health promotion, and comprehensive care planning. Services are provided using a team-based model that works directly with the individual and their identified natural supports. Diagnostic Assessment must be dated within the past year.

Eligibility: at least 18 years of age, active medical assistance, and residing in one of the following counties: Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington

Eligible Diagnoses: any mental health diagnosis; substance use disorders or developmental disabilities are not qualifying diagnoses but can be included along with a primary mental health diagnosis

Insurance: Active Medical Assistance (MA)
